Section 330 sets forth the criteria for the award of compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

To the extent that the Fee Application does not comply in all respects with the requirements of Local Rule 2016-2, Deloitte Tax believes that such deviations are not material and respectfully requests that any such requirement be waived.

WHEREFORE, Deloitte Tax respectfully requests that the Court enter an order: (i) granting, on a final basis, the allowance of compensation for professional services rendered to the Debtor by Deloitte Tax during for the Final Fee Application Period in the amount of \$553,412.60, for compensation for professional services rendered during such period; (ii) authorizing and directing the Debtor to pay all such amounts to Deloitte Tax; and (iii) granting such other and relief as may be just and proper.
